CANCELLATION/REFUND/WEATHER POLICY – ORTHMAN COMMUNITY YMCA RALLY IN THE VALLEY YOUTH VOLLEYBALL TOURNAMENT

- If a team cancels their registration to be a part of our tournament AFTER the registration deadline, they will NOT receive a refund.
    - The only exception is if the cancellation is due to unsafe weather conditions the day of the tournament, then a team will receive a 50% refund.
- If we must make changes to the format of our tournament for any reason (for example, due to inclement weather), and have to cancel teams from our tournament, we will use a "Distance Policy" to determine which teams will still play in the tournament. This means that teams from Lexington and a closer distance to Lexington will receive priority in staying in the tournament. If we make the decision to cancel a team from our tournament, that team will receive a 50% refund.
